
J1468A - HP Rack System/U41

Technical Data

Product Number
J1468A

Save valuable floor space with HP Rack System/U

Numbered columns and anti-tip foot makes for easy and safe integration. The integrated rack can be moved, shipped, and fits through most doorways. The side panels are included as standard gear and can be installed and removed without using tools.

Standard components include:

- 41U vertical mounting space
- 63% Perforated, locking rear door
- Single piece side panels
- Bolt-on anti-tip foot
- Numbered, 12-gauge columns
- Solid top
- 2.5 inch polypropylene casters
- Leveling feet

Standards

Conforms to the Electronic Industries Association (EIA) standard 310-D. It is a Type A cabinet with 41U of vertical mounting space. One 'U' is equal to 44.45 mm (1.75 in).

Features

- Move and ship fully integrated racks
- Optimized ventilation with perforated rear door
